

RECYCLED PRODUCTS

What does recycled mean? Materials that were generated as scrap or waste material of a production run. These materials are also referred to as "post industrial".

SIP-BP (Mocha Granite)

SIP-BP (Imperial)

All components are made from either recycled or renewable materials:

- **Panel:** recycled or renewable materials
- **Clear face:** recycled styrene
- **Wrap:** biodegradable corn-based material
- **Box:** recycled paper

ECO-FRIENDLY MATERIALS

RESPONSIBLE RECOGNITION. Our custom products are an excellent fit for green building design and can contribute to LEED points (Leadership in Energy and Environmental Design).

Bamboo

Bamboo is grown in an environmentally responsible manner which meets international standards for sustainable and renewable forests. Bamboo does not require replanting after harvesting. Formaldehyde - free. Color options: Natural or Amber.

PlantationRed™

Made from exotic plantation grown Eucalyptus Trees which meets international standards for sustainable forests. Excellent alternative to cherry and mahogany.

Biocomposite

Made from recycled newsprint. Soy additives are added to naturally create distinctive colors: Emerald, Mocha Granite and Imperial.

Dakota Burl

Made from recycled sunflower hulls. Rapid renewable.

GREEN RECOGNITION

Made from recycled paper.

RENEWABLE & SUSTAINABLE PRODUCTS

What is renewable? It is the management of a species to achieve a balance between what is removed and its replacement by natural growth so its population is not depleted.

BB-Frame

All products will have a lasered imprint on the reverse, stating the material (i.e. 100% Bamboo), green significance (i.e. recycled, renewable or sustainable) and "Made in the USA".

RENEWABLE & SUSTAINABLE PRODUCTS

What is sustainable forestry? Based on the premise that responsible environmental behavior and sound business decisions can coexist. Sustainable methods ensure trees are not harvested at a rate faster than nature can replenish them and the protection of wildlife, plants, soil, water and air quality.
